Dominicans in Africa are currently located in some 25 countries. Our Dominican Province of Nigeria, spread on several countries, is the largest entity on the continent. We are engaged in a diversity of ministries. Our efforts are very much concentrated in the areas of basic formation and training for the priesthood and religious life; primary evangelization in rural parts of Africa; on-going Christian formation in the faith through parish ministries; ministry among Muslims; social justice ministries, and health care delivery; chaplaincies and education ministries at all levels. We are committed to bringing Christ in a relevant way to all the people that we minister unto. In his presentation, our representative will be making references to these ministerial engagements of ours. **SUNDAY SMILE**

The Pope goes to New York. He is picked up at the airport by a limousine. He looks at the beautiful car and says to the driver, "You know, I hardly ever get to drive. Would you please let me?"

The driver is understandably hesitant and says, "I'm sorry, but I don't think I'm supposed to do that."

But the Pope persists, "Please?"

The driver finally lets up. "Oh, all right, I can't really say no to the Pope."

So the Pope takes the wheel and boy, he is a speed demon! He hits the gas and goes around 100 mph in a 45 zone. A policeman notices and pulls him over. The officer walks up and asks the Pope to roll down the window. Startled and surprised, the young officer asks the Pope to wait a minute. He goes back to his patrol car and radios the chief.

Officer: Chief, I have a problem.

Chief: What sort of problem?

Officer: Well, you see, I pulled over this guy for driving way over the speed limit but it's someone really important.

Chief: Important like the mayor?

Officer: No, no, much more important than that.

Chief: Important like the governor?

Officer: Wayyyyy more important than that.

Chief: Like the president?

Officer: More

Chief: Who's more important than the president?

Officer: I don't know but he's got the Pope driving for him!!!!!!!
