DUNDAS COMMUNITY SERVICES SENIORS ADVISORY COMMITTEE

Dundas Community Services has an advisory committee for their Seniors Services Program. This committee meets 4 times per year to discuss issues related to seniors and possible program recommendations to address these issues. We are looking for new members for this committee. If you think you may be interested or would like more information, please call Jane at 905-627-5461.

DO YOU HAVE ONE HOUR A WEEK TO SHARE WITH A SENIOR?

Presently, Dundas Community Services has clients waiting for volunteer visitors. If you can spare a few hours each week, you have just what it takes to bring a little sunshine into someone's life. New friends are needed to share stories, enjoy some activities like board games and cards or just talk. A friendly visitor is what many seniors need to help them remain living independently in their own homes.

If you are interested in volunteering in this program or if you would like more information, please call Jane at 627-5461. Do you know of a relative or friend who may benefit from this program? Let them know it is available and give them the phone number.

SUNDAY SMILE

The Dying Nun

The wise old Mother Superior from county Tipperary was dying. The nuns gathered around her bed trying to make her comfortable. They gave her some warm milk to drink, but she refused it. Then one nun took the glass back to the kitchen. Remembering a bottle of Irish whiskey they had received as a gift the previous Christmas, she opened and poured a generous amount in the warm milk.

When she walked back to Mother Superior's bed, she held the glass to her lips. Mother drank a little, then a little more. Before they knew it, she had drank the whole glass down to the last drop. "Mother" the nuns asked with earnest, "please give us some wisdom before you die."

She raised herself up in bed with a pious look on her face and said, "Don't sell that cow."

*God bless you
with health and happiness*
